KIDS IN NEED APPLICATION INFORMATION

Thank you for requesting an application form from KIDS IN NEED, a registered charity that grants “wishes” to children, aged **3 to 19**, who are terminally or seriously ill or who have multiple disabilities. The wishes we receive vary enormously and range between meeting personalities, visiting sporting events, trips to theatres, theme parks and mini break holidays and the purchase of play equipment and learning aids which have been adapted to suit a child’s needs. Many children choose for their wish something very different such as a ride in a helicopter, being a princess or zoo keeper, driving an army truck or Ferrari....the wish list is endless.

(NB: It should be noted in this context that it is **NOT** our practice to grant wishes which involve either the provision of cash, computer equipment or goods normally provided by Social Services e.g. wheelchairs, furniture, garden/room makeovers etc).

I should be grateful if you would complete the front section fully ensuring that you list all three wishes. **Please also provide a letter from your GP or Consultant advising how these wishes will benefit your child’s condition.** We always endeavour to grant the FIRST WISH, but based on any medical advice we might be given from YOUR DOCTOR and the funds available at any given time we might need to look at the SECOND OR THIRD WISH.

Please enclose a recent photograph, this is needed before the wish can be processed.

If you are in a position to provide any relevant details of prices, companies or photocopies of the wish please return with the completed application form.

The committee meet every 4 – 6 weeks when all the applications forms are considered.
